"REACHING ALL PEOPLE - MULTIPLICITY PROGRAM - TELLING THE WORLD"

Reaching the World by Reaching Our Community *"Reaching All People"*

As of the 2005 General Conference of the AWCF; the "Outreach by Multiplicity Program" was adopted.

The information for this program was then carried to the "Leadership Conference" in Virginia Beach, Virginia; where it was received with approval. Bishop Smith asked that this program should be set up at the 2006 Conference; where "Pilot Churches and Special Ministries" could sign up to be apart of the "Grass Roots" for this project.

The program will be an "Outreach" of the Missions Department, under the direction of Bishop David Fuller, our Missions Director. Information received and compiled at this conference will be implemented as churches and ministries become available. All effort to team up people of like vision and ministerial goals will be of great priority! Everyone is needed; we must "Reach All People"; with the message of salvation. Go ye is still the command!

"REACHING ALL PEOPLE - MULTIPLICITY PROGRAM - TELLING THE WORLD"

Reaching the World by Reaching Our Community "Reaching All People"

Multiplicity Outreach Program

Multiplicity: The quality or condition of being manifold or various; bringing about a great number.

Purpose: Therefore, I ask the members of the AWCF to open their hearts, minds and doors to reach out to their communities by the "multifamily" system; that we being many (races, cultures and personal differences) are yet one body, the Church. We can reach our communities by allowing a minister of a different (race or culture) to use our churches, as a home missions. This minister could form a congregation within the Home Church congregation, working under the Senior Pastor of that local church. He would be striving to reach people of the community that would otherwise not be reached.

Benefits of this proposal: That souls maybe won unto the Kingdom and that the true message of Christ be sown in the communities in response to the command, "that we should "Love" one another. The spirit behind this proposal is that of the "Good Samaritan", letting someone who is not a member come in and reach the hurting of the community.

Funding plan for this proposal: Every local church and pastor would need to make funding plans. My suggestion would be that if a minister came into the local church, he must agree to work with the senior pastor for a set period of time, for example one year. The new special minister should come prepared to "work" at a public job to support himself. The only thing the church offers is the building for service, on their off service time, to begin the "outreach multiple city ministry" of the church. When a new congregation is formed by the "new special minister", he should then start paying part of the church expenses, utilities for example. When the church senior pastor and the new special minister feel that the time has come to spin off the work, the new special minister and new church, should work under the local church and senior pastor as a daughter work, for 3 years.

The AWCF can help by being a mediator/liason for the local church congregation, organization or senior pastor by men approved from the supporting organization group which is sending the "new special minister". With cooperation from all parties, new churches, congregations can be started. Everything must have a beginning! Churches must meet the needs of their times! We could make an impact upon our communities for Christ, with this type program!

CHURCH APPLICATION

PURPOSE OF THIS OUTREACH PROGRAM

Many ministers of the Apostolic Faith, who feel the need that brethren of like faith, regardless of which oneness group should reach their communities for Christ; have formed the "Multiplicity Outreach Program". With this purpose in mind, and by the help and grace of God, the Apostolic World Christian Fellowship has been formed.

STATEMENT OF FAITH

We believe the Bible to be the direct and absolute Word of God (II Tim. 3:16) and is God's means of doctrine, instruction and comfort to the Church today, infallible in it's authority, devine in it's interpretation and the only avenue of access to God's salvation plan.

THE ONE TRUE GOD

We believe in the one eternal God, infinite in power, Holy in nature, attributes and purpose; possessing absolute deity. This one true God has revealed Himself as Father in creation; through His Son in redemption; and as the Holy Spirit by animation, His name is Jesus!

(I Cor. 8:6; Eph. 4:6; II Cor. 5:19; Joel 2:28, Matt. 1:23)

The Bible does not attempt to prove the existence of God; it and nature declares that the knowledge of God is universal. (Rom. 1:19, 21, 28, 32; 2:15)

The first of all Commandments is "Hear, O Israel; the Lord our God is one Lord." (Mk 12:29, Deut. 6:4)

APOSTOLIC DOCTRINE

The basic and fundamental doctrine of this Outreach Program is:

(1) Bible standard of full salvation, which is (a) repentance, (b) baptism in water by immersion in the name of Jesus Christ for the remission of sins, and (c) the baptism of the Holy Ghost with the evidence of speaking with other tongues as the Spirit gives the utterance. (Acts 2:4 and 2:38; Jn 3:5)

(2) We believe that Godly living should characterize the life and walk of all saints: This is a Christian Nature. (I Pe. 2:21; Ti 2:11; Ga. 2:20; He. 12:14; I Pe. 1:15-17).
