Chinese Immigrants Reportedly Leaving U.S. Because the 'American Dream is Dead'

(theblaze.com 11/7/11)

Could it be a global financial collapse that will usher the antichrist into power? It has been stated by economists that if the Eurozone collapses, it will have a domino effect on the rest of the world. We are living in exciting times — on the threshold of the coming of Jesus for His church. We are living in perilous times — times of fear and insecurity for those not prepared for His coming. Get ready; stay ready.

As we enter 2012, I pray each of us make our calling and election sure. Then go out into the highways and byways and bring the glorious gospel message to the lost and dying.

Christian Persecution Statistics.

There have been more than 26 million documented cases of martyrdom in this century. More than 200 million Christians in over 60 nations face persecution each day, 60% of these are children. 150,000 to 165,000 are martyred each year. Christians today are the most persecuted group in the world. Persecution is on the rise because of Communism, the expansion of Islamic and Hindu extremism, and because of the sparsity of freedom-honoring governments around the world. Literally hundreds of thousands of people today are being killed, brutalized, sold as slaves, imprisoned, tortured, threatened, discriminated against and arrested solely because they refuse to renounce or hide their faith in Jesus Christ. God Destroyed Sodom and Gomorrah for the Sin of Sodomy

Is sodomy a civil right? The argument goes like this. Homosexuals are a minority that is discriminated against just like African-Americans. This argument hinges on believing that homosexuals are born homosexual, just like African-Americans are born black. But there's a problem. If homosexuals are "born that way," then are pedophiles "born that way?" And should pedophilia be a civil right? How about bestiality? And if they are born that way, why would God say that they must repent or they cannot be a part of the kingdom of God? (Endtimes mag July/Aug 2011)

America's path towards destruction. God destroyed cities because of the sin of sodomy. Yet, America is following their path. Our President, at the 2009 annual conference of LGBT spoke these words. between a man and a woman." (Endtimes mag July/Aug, 2011)
